

Tetbury Art Society Exhibitions

HOW TO PRESENT YOUR WORK

www.tetburyartsociety.org.uk

- 1 Each picture must be suitably framed unless it is a boxed or cradled canvas (a thicker edge than a standard canvas) no less 1" or 28mm depth canvas in which case the sides must be completed in an appropriate manner.
- 2 The back of the framed picture must be sealed with frame sealing tape for a professional finish. This is to ensure mites or dusts cannot spoil the picture.
- 3 Please ensure that you attach two 'D' rings a third of the way down together with a cord or a wire at the back for hanging and ensure that it does not show above the picture frame when it is hung.
- 4 All entries must have a neat label stuck on the back with:
Your name, phone number or email address, title of picture, medium and price.
- 5 If your picture is a copy, the original artist must be acknowledged e.g. "after Gainsborough".
- 6 Unframed pictures on paper or board must be displayed with mounts and within a **clear cellophane cover**.
- 7 **Please consider carefully your pricing of pictures. No picture should be priced less than £40.**

PLEASE NOTE

Only original framed or unframed pictures to be sold at the exhibition.

The Hanging Committee reserve the right to discard/reject any entries which do not meet these criteria or are not of a sufficient standard

Members are responsible for their own pictures during the exhibition as the Society cannot offer insurance cover. Once hung, only a duty steward may remove or reposition pictures until the final close of the exhibition.
