Tetbury Art Society Exhibition at The Goods Shed
6th January to 14th February 2027

We have been invited by The Goods Shed to hold an exhibition in the New Year. This will give us an ideal opportunity to display our work to potential new audiences of those attending events and meetings at the venue.

We have been asked to supply one painting per artist, The Goods Shed will retain 25% commission on those sold during the exhibition.

If one sells then a red spot will be affixed until the end of the exhibition unless the purchaser is visiting Tetbury whereupon the artist will be contacted for a replacement.

There will be an Open Evening on 27th January 2027 from 6pm to 7:30pm at which Jenny Riley will give a welcome speech and Tetbury Goods Shed will provide Prosecco and soft drink, one free glass, for each attendee and thereafter £6 per glass.

Pictures will be received at Tetbury Goods Shed through the rear door on Monday 4th January between 9am and 10am so that hanging can commence.

All pictures must have the correct hanging system or they will not be hung, this is a D ring on each side of the frame between 1 and 2 inches from the top of the frame. See A4 sheet provided from the Goods Shed. Note the D ring should be upright without cord so that it can be hung directly on hanging hooks, one each side for stability.

Take down will be on Monday 15th. Please collect your picture between 9am and 10am.
